qcd | DENTAL BENEFITS

WHAT IS THE QCD OF AMERICA® INDIVIDUAL PROGRAM AND HOW WILL I BENEFIT?

■ The QCD Individual Program is a managed dental care benefit that provides you and your family the opportunity to receive dental care from many of the area's most respected private practice dental professionals at a reduced cost.

HOW DO I ENROLL MY FAMILY IN THE QCD PROGRAM?

■ The last two pages of this enrollment packet is the Individual Membership Enrollment Form and the Individual Payment Authorization Form. If you pay for your membership on an annual basis, only complete the enrollment form and submit with your check. If you pay for your membership on a monthly bankdraft basis, fill out the Bankdraft Authorization Form and the Enrollment Form. Submit these with a copy of a cancelled check or deposit slip, a check for the \$20 initial enrollment fee and the initial months coverage. Please follow the instructions at the top of each form and be sure to sign and date each form. The forms may be sent directly to QCD at the address on the first page of this packet.

WHEN CAN WE BEGIN ENJOYING THE BENEFITS OF THE QCD PROGRAM?

■ A QCD Membership Card will be sent to you no later than two weeks after being received in our corporate office. Once you have received your membership card contact any affiliated QCD Dental Office, make an appointment and receive the cost saving benefits of membership.

WHAT IF A MEMBER OF MY FAMILY HAS AN EMERGENCY PRIOR TO RECEIVING OUR MEMBERSHIP CARD?

■ QCD asks that you contact our corporate office and explain the emergency situation. QCD will immediately contact the dentist of your choice and verbally verify your eligibility under the program.

WHAT IF A MEMBER OF MY FAMILY NEEDS TO BE TREATED BY A SPECIALIST?

■ QCD affiliates with specialty care dental professionals in many areas. These specialists are trained for advanced treatments in Endodontics, Periodontics, Oral Surgery and Pedodontics. All QCD affiliated specialty care dentists charge at a 20% discount from their usual and customary charge for treatment. We encourage each member to be certain that the general dentist cannot perform the needed procedure prior to making your appointment with an affiliated specialist as to maximize the program benefits. We ask that you contact the QCD Membership Services Department for the most convenient specialty care location if one is not listed on your QCD Affiliated Dental Team listing.

WHAT IF I HAVE A QUESTION OR REQUIRE ASSISTANCE REGARDING MY QCD BENEFIT PROGRAM?

■ The QCD of America® Membership Services Department is available to assist each member at 972.726.0444 or toll-free 800.229.0304. Our service department operates Monday through Friday from 9:00 A.M. until 4:00 P.M. (Central Standard Time).

WHAT IF I BECOME A QCD MEMBER AND AM NOT SATISFIED WITH THE PROGRAM?

■ QCD experiences few member service problems due to the quality oriented nature of our organization, benefit program and affiliated dental professionals. If a QCD member experiences a problem with the program, we ask that you immediately contact our Membership Services Department and allow us to resolve the problem. If the problem cannot be resolved to the member's complete satisfaction, the member may discontinue the program by giving QCD written notification and returning the membership card.

Clear Vision Discount Program Highlights

Vision Plan: Clear Vision Discount Plan
Control Code: 7619
Co-payment: N/A, discount plan is 100% member paid at the time of service

Eye Examination – Members will receive a 15% discount on their comprehensive eye examination including dilation (when professionally indicated).

Eyewear (Frames and Spectacle Lenses or Contact Lenses) – Members will be entitled to substantial and verifiable savings on all of their eyewear needs. Discounts are uniform nationally and represent pricing well below Average Retail Prices. These discounts are based on published industry standard costs, not markdowns from artificially inflated prices.

Significant Savings – Client surveys indicate that programs providing discounts off retail prices of eyeglasses are subject to abuse due to the high associated markups of over 300% throughout the optical industry. Consequently, these programs do not result in a true “value-add” for the beneficiary. The proposed fixed-fee discounted pricing schedule provides both verifiable savings and benefit uniformity for all members from coast to coast.

Additional Value-Added Features – The Clear Vision Discount Program also offers significant discounts on replacement contact lenses and laser vision correction at no additional cost.

- Lens 123® is a mail order program that allows you to enjoy the guaranteed lowest prices on replacement contact lenses—save up to 60% off retail prices. Members can conveniently call 1-800-LENS123 with a current prescription for this value-added service. The Lens 123® contact lens replacement program is endorsed by the industry’s major manufacturers.
- Davis Vision’s Laser Vision Correction program provides substantial discounts on laser vision correction procedures. Members are entitled to savings of up to 25% off usual and customary fees or a 5% discount off a center’s advertised special through a network of preminent physicians affiliated with Eye Centers of Excellence. (Some centers provide a flat fee equating to these discount levels.) See below for information on finding a participating laser vision provider near you.

Accessing a Provider – Contact a Davis Vision representative at 1-888-897-9347 or simply log on to www.davisvision.com, choose “Find a Provider” and use your control code 7619.

Customer Service - To speak with a customer service representative, call Davis Vision Customer Service at 1-877-923-2847. Enter Client Control Number 7619 when prompted. At the main menu, press “0”.
